Dear Michelle Linford,

In response to your correspondence dated February 1, 2019; the Canada Border Services Agency (CBSA) International Events and Convention Services Program (IECSP) officially recognizes the following event:

**CanWest Hort Expo**  
**September 25-26, 2019**  
**TRADEX**  
**Abbotsford, BC**

Your request for Border-to-Show privileges has been granted. The CBSA has advised its ports of entry to allow your goods to move directly to the show site (once they have been reported to CBSA at the first port of entry) where officials will perform the necessary clearance procedures.

The information provided to the CBSA states there will be approximately 2,000 attendees of which 10% are foreign to Canada. The event is closed to the general public with no sales of merchandise taking place.

This event is expecting approximately 14 foreign exhibitors who are importing display booths, signage and convention materials for use at this event only. Non-Canadian exhibitors may import display items and exhibit booths temporarily as outlined in the provisions of tariff classification **9993.00.00.00** duty free, on the condition that the goods will be exported from Canada upon the completion of the event

Foreign exhibitors importing goods into Canada from the United States should consult with U.S. Customs and Border Protection (USCBP) prior to shipping any convention materials. It is required that goods valued at over \$2000.00 USD be reported to USCBP. USCBP may document the goods on a form 4455 in order to identify the goods upon return to the US.

The IECSP has been informed that RHB Customs, facilitated by Levy Show Services, has been designated as the official customs broker for this event. If you have any questions regarding importing meeting materials into Canada or if you wish to inquire as to the brokerage services provided, please contact April Cheng at: 604-277-1726 or [acheng@levyshow.com](mailto:acheng@levyshow.com)

CBSA requires everyone seeking admission into Canada to properly declare themselves to CBSA by providing accurate identification. CBSA will accept a valid passport as proof of citizenship.

Persons who have been convicted of any criminal offences may be inadmissible to Canada. For more information please visit: <http://www.cic.gc.ca/english/information/inadmissibility/index.asp>

If you have attendees from visa-requiring countries (<http://www.cic.gc.ca/english/visit/visas.asp>), please contact the Special Events Unit of Citizenship and Immigration Canada (CIC) at [special.events@cic.gc.ca](mailto:special.events@cic.gc.ca) with the specifics of your event. They will assess the visa requirements of your event.

To ensure that organizers and participants of your event are aware of requirements for entry to Canada, the information provided to the CBSA may be shared with CIC. The CIC may, in turn contact event organizers to confirm details of your event and provide further direction regarding admission to Canada for those attending your event.

Visa-exempt foreign nationals, excluding US citizens, require an Electronic Travel Authorization (eTA) to fly to or transit through Canada. For more information please visit [www.cic.gc.ca/english/visit/eta-start.asp](http://www.cic.gc.ca/english/visit/eta-start.asp).

**To facilitate border procedures during entry into Canada, each participant should have a copy of this letter and be in possession of an itemized list of articles stating description, quantity and value for presentation to CBSA officials.**

Please do not hesitate to contact the undersigned if you have any questions or require additional information.

Sincerely,

Mark Bourne
